

Opening at Level 2

At Level 2, things may look a little different when we reopen, with new distancing requirements and contactless payment.

To ensure both our clients and team are safe, there will be a few changes to how we must operate.

- If feeling unwell please stay at home and reschedule your appointment.
- Please ensure that you are the only person at your appointment.
- We will be limiting the number of people in the shop at one time. Please be aware that the waiting area will be unavailable. If you arrive early for your appointment you will be required to wait outside.
- Must scan QR code before entering.
- There will be NO hot towels, to avoid facial contact.
- Sterilization of tools and stations will be completed between each client.
- We'll make ourselves available for some extended hours in preparation for all your overdue cuts.
- Nothing is permanent guys, and we are really look forward to returning back to all the usual services as quickly as we can.

Be kind, be safe, see you all soon.
